Package 'lydata'

February 26, 2026

Title Example Dataset for crossmeta Package

Version 1.36.0

Author Alex Pickering

Maintainer Alex Pickering <alexvpickering@gmail.com>

Description Raw data downloaded from GEO for the compound LY294002. Raw data
is from multiple platforms from Affymetrix and Illumina. This data
is used to illustrate the cross-platform meta-analysis of microarray
data using the crossmeta package.
