

اختبار دعم اللغة العربية

فرانسوا شاريت

٢٧ تشرين الأول ٢٠١٩

English³ is a West Germanic language originating in England, and the first language for most people in Australia, Canada, the Commonwealth Caribbean, Ireland, New Zealand, the United Kingdom and the United States of America (also commonly known as the Anglosphere). It is used extensively as a second language and as an official language throughout the world, especially in Commonwealth countries and in many international organisations.
